COMPANY OVERVIEW

Students interested in joining the GBSD Competitive Company are required to audition. Participating in the audition does not guarantee placement on the team. All placements are at the discretion of the directors and all decisions are final.

Auditions for the GBSD Competitive Company occur in the spring in person at GBSD, and open to all. Dancers must register online before the audition date, and fill out the audition form which should be emailed or brought to the studio. A make-up date is available for those unable to attend the audition.

Being a Company dancer at GBSD is a significant time and financial commitment. In addition to weekly classes, company dancers compete in four regional competitions and nationals competition (mandatory for some teams). We expect GBSD Company dancers to attend one dance convention each season and the choreography week in late August.

Below is a list of the *possible* teams for the 2023-24 season with minimum time commitment for each team.

**Advanced teams require more time commitment and must attend the national competition at the end of the season.*
